✦ Minutes of the September 28, 2010 Meeting ✦

Call To Order

The meeting was called to order at 7:00 p.m. by President Sandy Prentice. She straight-away informed us that dinner was ready and directed everyone to the buffet line.

Some of the formalities of our usual agenda were dispensed with at this meeting in lieu of our annual pot luck dinner and installation of officers.

After dinner, Sandy recalled the meeting to order.

Financial Audit

Sandy announced that Ed Burton was kind enough to do the audit of the clubs books this year and that he has turned in a report of his findings. She said that his audit was quite comprehensive and that he had declared the books to be in good order with no discrepancies.

Membership Report

Marty Epping announced that she had membership cards and raffle tickets to pass out to all those at the meeting who had paid their dues. Sandy said that by passing them out at the meeting quite a bit of postage is saved. So she asked if those present would pick them up.

The Passing Of The Gavel - Our September meeting is designated as the meeting for installation of officers. Sandy Prentice who has served the club faithfully as president for the past two years is pictured here passing the club gavel to our new president, David McCool. On behalf of the entire membership of the club, we thank and appreciate Sandy for the great job she has done during her tenure as president. We also congratulate our new president and look forward to working with him. Our best to Sandy and to David.

Raffle Tickets

Sandy explained that every year the club purchases a \$300 purchase award from a carver at the show. It is then raffled to offset the cost of the carving and to

raise money for the show. Every member will receive a letter of explanation and 6 raffle tickets which they will be asked to either sell or purchase themselves. The cost of the raffle tickets are \$1.00 each or 6 for \$5.00.

David McCool introduced his wife Marilyn to the club. He said you will probably hear him mention Michigan quite a bit as he and his wife were born and raised there, moving here about 8 years ago to accept a position with his church. He expressed his appreciation for being nominated and elected as president. He briefly discussed his hopes and dreams for the club which includes increasing membership with some young carvers so that the club can continue to thrive in the future.

Discussion - Paul Cast announced that he has a sign up sheet for our monthly programs. He asked for those who would be willing to do programs to sign up so that they are scheduled in advance for each month. So if you would be willing to do a program, contact Paul or sign up on his sheet. **Linda Taylor** asked if there could be a problem solving night where carvers would bring in specific carving problems they might be having in hopes of getting feedback on said problem. Paul said he would put that on his program list. **Arline Gamel** asked if we were going to carve Christmas ornaments this year. She said that it's not too early to talk about that. **Sandy Prentice** explained that each December we have another social which is our holiday party where we do a gift exchange. If you carve something and bring it you get a carved gift in exchange. This is another pot luck type dinner. We will also be carving ornaments for the tree at the Spring Show and will be talking more about that a little later. **Randy George** said that so far he has 47 books in the new library. You'll be able to check out books at the monthly meeting, There is a list of the books available included with this month's newsletter. **Ernest Parker** recently donated 3 books to the library.

Appreciation Awards - Sandy Prentice presented awards to the following members:

Paul Cast (Top Left) - For embracing the role of Vice President, and all related tasks required of the position. This year you have provided informative and interesting programs for the club and continue to be our link to Scouting Activities. You are a valuable asset to the club and we wish to "Thank You" for all that you do.

Mike Lawrence (Top Right)- For an excellent and accurate record of club events via the K.C. Chipper, our monthly newsletter. Your excellent writing and photography skills enable us to showcase the monthly Carving Competition winners and all club activities. "Thank You" for your dedication as our club Secretary and for your time.

Mike Resch (Not Pictured)- For your attention to detail and for the financial stability of the club. As the Club Treasurer, you were responsible for the every aspect of the club's finances, including your role as Show Treasurer. You continue to make the club a successful organization and we are grateful for your contributions to the club. Thank You!

Marty Epping (Bottom Left) - For your role as our Membership Coordinator. Your tasks are on-going with e-mails, membership dues, database updates, and the annual roster. In addition, you generate membership and carving interest by assuring the Northland Tuesday evening carver sessions continue. Thank you very much for all that you do!

Darrell Hampton (Bottom Right)- For your on-going performance of duties as Custodian of the Keys. You support the club in many seemingly small ways. However, were they left undone, the club would notice your absence. You mentor new carvers who attend the Monday Night sessions and so "Thank You" for all that you do for the club!

Our Annual Pot Luck Social

Our dinner was delicious! We have some really good cooks among us. Everyone enjoyed the food and fellowship with the woodcarvers and families. A special thanks to all those who helped prepare for this event, setting up the buffet line, kitchen and dining room. This includes our hospitality committee, Marilyn Reinhardt, Robbie Hampton, Arline Gamel, Linda Taylor and Betty Burton. There was plenty of food to go around, enough for seconds and then some! Thanks to all who brought a covered dish to share.

Scouting Report - Paul Cast

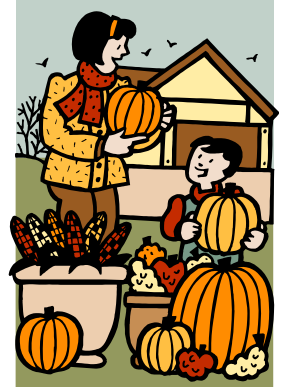

These photos were taken as the totem pole was carved on September 25th at Camp Naish., Bonner Springs, KS. We met at 8:00 am and worked until the pole was complete. It was an all day job carving the red oak log but it was extreme carving fun! Paul recognized and thanked all those who volunteered and helped carve the pole and paint. All those who worked were, Ed Burton, Fran Cast, Paul Cast, Larry Everitt, Harvie Farnam, Randy George, Mike Lawrence and Floyd Tinsley. Also helping were Dave Wisenhunt, Joe Stroble, Brian Bailey, Al Weber, Bill Sanders, Karen Green and Kent.
